

I, _____, hereby certify that my dog(s): _____ is/are in good health and has/have not been ill with any communicable conditions in the last 30 days. I further certify that my dog(s) has/have not harmed or shown aggressive or threatening behavior towards any person or any other dog. I have read and understand the following:

- I agree that I have notified Concord Veterinary Hospital of any and all health conditions, abnormal behaviors, or issues that would be pertinent to the care of my pet(s).
- I understand that Concord Veterinary Hospital provides a Pet Play Program where dogs socialize, play, and interact with each other for 4-6 hours/day under the monitoring of trained staff.
- I further understand and agree that dogs can sometimes receive minor cuts and scratches during Pet Play, and any problems that develop with my dog(s) will be treated as deemed best by staff and the attending veterinarian, at their sole discretion, and I assume full financial responsibility for any and all expenses involved.

All pets must be in good general health. Owner must show proof of all required vaccinations (rabies, distemper, parvovirus, bordetella) and a fecal test within the last six months on the pet's first visit to the facility, when vaccinations are updated, and/or annually. Pets must also be on continuous, scheduled prevention programs for fleas and ticks. Pets arriving with fleas and ticks will be treated at our facility and the owner of the pet will be charged for a one time treatment.

A short behavior assessment will be conducted for all new pets entering the Pet Play Program. It is very important for the safety of all pets in our facility that new members get along with the group. Concord Veterinary Hospital reserves the right to refuse service or admittance to any dog for any reason. Concord Veterinary Hospital also reserves the right to contact the owner to come and pick up any pet who does not comply with Concord Veterinary Hospital regulations. Regulations for pets are simple: be nice and no bullies allowed!

It is understood that our facility will provide overnight accommodations at the overnight rate if pets are not picked up by lobby closing time. All pets must be picked up by the owner or pre-approved owner agent before lobby closing time. Our lobby is open Monday – Friday from 7:30am - 6:30pm.

Fees are based either on a daily rate or a Pass Plan. Passes are valid for 90 days from purchase.

Reservations are required. Due to high demand and limited space, consistent cancellations with less than 24 hours notice or no-shows will be charged at the full daily rate.

We look forward to providing a stimulating, fun, and safe experience for your pet(s)!
